**DEFENDANTS, SCRAPPY ELEGANT GAMING, LLC, DARRYL  
ROSENBLATT AND JAMIE LEIGH KLINGER'S MOTION FOR  
EXTENSION OF TIME TO FILE RESPONSIVE PLEADINGS**

Defendants, Scrappy Elegant Gaming, LLC, Darryl Rosenblatt and Jamie Leigh Klinger (“Defendants”), appearing pro se, request an extension of time to answer or otherwise respond to the Complaint filed by IGT. It is our understanding that the answer to IGT’s Complaint is currently due on January 23, 2018. Defendants respectfully request a fourteen (14) day extension of time to respond to the Complaint in order to resolve the case with IGT, or in the alternative, obtain counsel to represent us. The Complaint raises several claims including claims of alleged non-infringement of U.S. Patent No. 9,582,970 (the ‘970 patent) and alleged invalidity of the ‘970 patent. We are not patent attorneys and need the assistance of a qualified patent attorney to assist with these highly technical and legally challenging allegations. We are in the process of interviewing legal counsel and determining the best counsel to hire. Since the allegations challenge the validity of the ‘970 patent, it is important to have qualified counsel involved to protect the validity of this valuable property. We also need additional time to marshal the evidence and respond to the allegations made by IGT. Please let us know if you need any additional information in order to grant our request for an extension of time.

We have entered into conversations with Plaintiff’s counsel, and based upon these productive conversations, believe that this matter will be resolved within the next 14 days.

Should the parties not reach an amiable resolution by that time, Defendants are prepared to retain counsel.

Darryl Rosenblatt can be reached by telephone at 248 762 [REDACTED]. We respectfully request a fourteen (14) day extension because of the complexity of the issues and the nature of the case.

Respectfully Submitted,
